

NATIVE SONS 2020 RACE SEASON NASCAR & NHRA

Distribute to all brothers who have interest in NASCAR Sunday June 14th or NHRA July 24-26, 2020

Welcome Brothers to 2020 Race Season: We are working with SONOMA RACEWAY Usher Program again this race season. NASCAR is the first race of the season and we need volunteers. Please sign the sign-up sheet for your Parlor.

- NASCAR we need **80 volunteers on SUNDAY June 14th**
- NHRA we need **35 Volunteers on Friday-Sunday, July 24-26th.**
- We moved our base camp location last year to accommodate our changing needs. It is across from our former location at gate 7. Please be sure to bring the attached map for directions. If you arrive, just for the Day, use the Ambassador Parking Lot, and walk up to the base camp. (See attached instructions under Day Parking)

By partnering with us, you will make great money for your parlor. The average pay 15.00 per hour when track side. This year we will be mailing checks AFTER the track pays us, which is now net 30 days. We would love to pay you sooner, but the payment structure has changed this year. It shouldn't be a problem as long you sign in each morning at the sign in desk.

We are USHERS; we will be helping people find seats and giving them directions to where things are. We must be willing to smile and solve issues in all sections of the track. Shifts have been shortened!! Longest shift at NASCAR is 7 hours. **Please have/wear Long Black or Khaki Pants and comfortable, close toed shoes-- No SHORTS!** We are being provided with Green-Sonoma Raceway collared shirts, hats, training, and lanyards. Most volunteers will have radios with headsets. We will have safety briefings each morning. We will be utilizing the track shuttles to/from our stations. We will provide a **Continental Breakfast PLUS+** that includes coffee, juice, etc..., and also a lunch. We supply a NSGW **lightweight lunch cooler** that can be purchased for \$10.00 or just borrow one. You will be able to make it yourself a killer sandwich with all the sides! No one ever leaves hungry.

Dinner is provided at Base camp at Gate 7 after all shifts. The dinner schedule is below for NASCAR & NHRA

- **THURSDAY** is BBQ Pork Loin for those that arrive early.
- **FRIDAY** is the NSGW BBQ Sparerib cook off at NASCAR & TRI-Tip BBQ cookoff for NHRA!!! We will have the meat, you just have to cook it!!! Bring your best recipe & compete against the best NSGW has to offer!!!
- **Saturday** is GM Kris Nelson, Nicasion Parlor #183 Gumbo night! You got to try this stuff!!!
- **Sunday** is Taco Bar Night with all the fixings!!! Provided by George & Lisa Adams, Napa Parlor #62

For both events we are asking you to commit to 5 volunteers over 18 years of age. We need lots of help particularly June 14th. **Yes, you can bring more** but that is the minimum that we are requesting from you. Race Chairmen will give **first pick** of the usher positions to those that volunteer first. If we do not need the help and we have more than enough, then we will try to accommodate so that you still have a great time an opportunity to watch the race, eat, play, drink and camp for FREE! Money is secondary. Our first priority is to make sure we fulfill our contract.

If you have a camper, understand that you may not be able to run AC on provided power. If you must run your A/C bring a **quiet** generator. Tent camping is welcomed, we do have bathrooms and showers will be available. We anticipate having over 125 bothers and friends this season and are looking forward to a great time. Bring your parlor banner if you would like to display your Parlor's Pride. Questions?? Contact the brothers below.

NATIVE SONS 2020 RACE SEASON NASCAR & NHRA

Camping and Day Parking map and directions 2020- KEEP THIS!!!

We are just 300 feet from our old camping area, look for NSGW banners marking the new entrance!

1. **OVERNIGHT CAMPERS** : Our gated entrance is immediately on the left across the road from our previous campsite. One through the gate make a sharp right immediately up the hill. If the gate is closed/locked, call camp Marshal Vern 510-862-5475
2. **DAY WORKERS**: if you arrive and find you are unable to enter the gate due to CHP safety controls, please park in the ambassador parking lot on the right as you turn into gate 7. Walk across the road & up the hill on your immediate right to access our camp. If you are leaving early, please park in the ambassador or old lot as you will be unable to leave early from our campsite due to CHP Rules.
