

SUTRO TUNNEL TOUR

On August 23, 2025, the California Adventure Club set out for a fascinating journey to the historic Sutro Tunnel, joined by 19 members of the Native Sons of the Golden West and their families. It was a bright, beautiful day, perfect for exploring the landmark that once played a crucial role in Nevada's silver mining history. The group enjoyed an in-depth tour, learning about the tunnel's construction and significance, and were thrilled to venture inside the tunnel itself, experiencing a rare glimpse into a piece of the Old West that few get to see firsthand. The day was filled with camaraderie, history, and adventure, embodying the club's mission to explore California and beyond while celebrating heritage.

With the Sutro Tunnel adventure wrapped up, the club is already gearing up for its next exciting outings. On October 2 and 3, members will hit the road for a classic Route 66 journey, traveling from Needles to Santa Monica and exploring the iconic sights along the way. To round out the year, the group will gather once again on December 5 for the beloved Cornish Christmas celebration in Grass Valley, CA—a festive tradition that combines local history, holiday cheer, and community spirit. These upcoming adventures promise to continue the club's tradition of unforgettable experiences and shared memories for all who join.
